## TECHNICAL SKILLS

---

**Frontend:** JavaScript, React.js, Redux, Next.js, Typescript

**Backend:** Node.js, Express.js, Typescript

**Database:** MySQL, MongoDB

**Libraries:** Tailwind CSS, Bootstrap, Material-UI, Shadcn, Framer Motion, Socket.io

**Tools:** Git, Figma

## EXPERIENCE

---

### Frontend Developer

*Binbag*

Jan 2024 – Jun 2024

*Guwahati (Remote)*

- Built **Binbag website** with Next.js, Tailwind CSS, Shadcn, Framer Motion, and Zod.
- Implemented a **CMS** to facilitate easy **management of blogs** and dynamic content sections like job openings.
- Integrated an **inquiry form** into Binbag's CRM to streamline customer interactions and requirements.
- Built a **Markdown editor** for efficient content creation within the CMS.
- Implemented a secure **user authentication** system with **Google reCaptcha** using **JWT** for enhanced website security.

## PROJECTS

---

**Code Clash** | *Next.js, Typescript, Firebase, MongoDB, Prisma, Pusher.js, Shadcn UI, Tailwind CSS*

Live Project

- A real-time competitive **coding platform** to enhance DSA skills through live coding challenges.
- Implemented **solo and duel** modes to allow users to practice individually or compete against each other in real time.
- Implemented a **leaderboard system** to track user performance and foster competition.
- Integrated Firebase for secure authentication and MongoDB with Prisma for scalable data management.

**You Sync** | *Next.js, Typescript, Tailwind, Pusher.js, and MongoDB*

Live Project | [Github](#)

- Developed a real-time **YouTube video sync** web app to binge-watch YouTube videos together.
- Integrated **instant messaging** for communication among friends during video sessions.
- Implemented **admin controls** to allow only admins to manage video playback pace.

**Netflix Clone** | *React.js, JavaScript, Tailwind CSS, and Firebase*

Live Project | [Github](#)

- A **Netflix clone** using React.js, JavaScript, Tailwind CSS, and Firebase Authentication.
- Implemented functionality that enables users to **save their favorite shows** and retrieve them upon subsequent logins.
- **Developed sections** for upcoming, popular, trending, and top-rated movies.

## EDUCATION

---

**Maharaja Surajmal Institute**

*Bachelor of computer applications, BCA, CGPA[8.9]*

Delhi, India

*Jul 2022*
